## **Mayorga Coffee Location to Open at Historic Tivoli Theater in Washington, DC**

Rockville, MD—January 4, 2007—Mayorga Coffee has recently signed a deal with an independent operator to open a new Mayorga Coffee location in the historic and culturally-rich area of Columbia Heights, in Northwest Washington, DC. Located right next to the Hispanic Gala Theater, The Tivoli Theater is a National Historic Landmark, and a stunning piece of our nation's architectural history.

In addition to Mayorga's usual offerings of fine coffee drinks, freshly roasted whole beans, and fresh pastries, this 5,000 square foot location will also feature a full bar, free wi-fi, and live entertainment.

Whether you live in the Metropolitan area or are visiting DC from out-of-town, this Mayorga coffeehouse, scheduled to open in January, will provide the perfect setting from which to enjoy a true city excursion and, of course, an *authentic coffee experience*.
